

CHILD National Conference  
 Innovation Generation: Creating 21<sup>st</sup> Century Thinkers  
 Saturday, April 17, 2010

**CALL FOR PRESENTATIONS**

**IS THIS YOU?**

**Do you have some great ideas to share? Do you and your colleagues collaborate by using a common science theme or book study? Are fellow teachers always coming to you for advice and ideas on classroom management? Are you the techie in your school? Have you made it through the first year and want to share what you've learned? Are your stations rigorous? Then please come and share with your colleagues at the CHILD National Conference.**

At this year's conference we are looking for 1 hour subject focused presentations. Presenters will be reimbursed up to \$50 (with receipts) toward the cost of materials. All presenters will also receive special recognition at the Awards Luncheon.

**NOTE:** Presenters will receive a complimentary Saturday conference registration (\$125 value).
