

Join us for this year's

Make It & Take It

Have fun while making station activities for your classroom! Sessions are subject-specific and relate to the following:

- Technology related stations
- Using the CHILD Guide for ideas
- Writing rigorous and relevant Task Cards

You'll leave with the following:

- ✓ 6 new station activities, ready to use the next day
- ✓ New connections to others in your subject area
- ✓ Technology site list for your Computer Station and more...
