

TREASURE COAST ELEMNTARY  
"OUR CHILDREN, OUR TREASURES"  
Scheduling

Treasure Coast is in its first year of operation. We presently have 707 students with four clusters of Project Child. Classes go to "specials" (Art, Music, PE & Library) for 40 minutes each day and have a half and hour for lunch. Our school day runs from 8:45 until 3:15. On Wednesdays we have release days were the students are dismissed at 1:40.

We have taken each of the Project Child clusters and broke down their daily schedule. In the intermediate clusters, the grade level that will be tested on FCAT goes to that subject during the first 90 minute block (example – 3<sup>rd</sup> grade to Reading, 4<sup>th</sup> to Writing and 5<sup>th</sup> to Math). When lunch interrupts the 90 minute block, the teacher who has the class takes them to and from lunch.
